Employment Opportunity

The Greenbank United Church, located in Greenbank, Ontario (on Highway 12 just north of Port Perry) seeks a creative and technically competent person to assume the position of Music Director and Choir Leader. The congregation is established and growing. The sanctuary has a well maintained Artisan Classic #240 Custom Church Organ which was installed in 1995 and a Yamaha Grand Piano which is in excellent condition. It is estimated that this part time position will demand 8 to 10 hours per week. The appointee will be expected to meet annually with members of the Ministry and Personnel Committee to evaluate past achievements, and explore a vision for the future. Remuneration will be commensurate with experience and qualifications. Applications will be treated in strictest confidence.
