Doug reviewed the UCC assessment charged to the Pastoral Charge.

Debbie led a discussion on the SUC/GUC vision for the future. The process to date was reviewed including the notes of the meeting the notes summarizing the meeting between Keith Puckrin, Brooke Acton, and Terry Taylor or SUC and Kim Thomson, Debbie Watson, and Doug Watson of GUC on Sept 15, 2025.. Last week Debbie wrote to Brooke Acton to see what SUC had decided. They are wanting to remain status quo for now. The discussion then led to what does GUC want. A number of different scenarios was discussed.

Doug reviewed the rental agreement and reminded everyone that through a standardized agreement, this would prevent a member of the church obtaining a perceived benefit.

Doug reviewed the current situation with the Faithful Footprints Grant programme and our plan of action. Debbie will write a letter to UCC, ECORC, and Mr. Collette restating that some of the work we had done was based on prior approval.

Budget process: All groups are to have their budget items in by Jan 16 which includes their wish lists. For example: AV equipment, kitchen upgrades etc. This will enable the Board to better plan. Doug to look into the security grant that is currently available.
